ALL ARE CALLED TO PRAY FOR THE CARE OF CREATION

The Canadian Conference of Catholic Bishops (CCCB) are calling on all members of the faithful to join in prayer on **September 1, 2024**, known as **World Day of Prayer for the Care of Creation**.

This year's theme, "**Hope and Act with Creation**," draws inspiration from Saint Paul's Letter to the Romans (8:19-25), emphasizing the hope that stems from our faith and the active role we must play in caring for the world around us. The theme resonates with [Pope Francis' message](#), highlighting our responsibility as stewards of creation and our call to safeguard the environment for future generations.

"We are called to an ecological conversion, to care for our environment as an expression of our love for God and our neighbors," said Bishop William T. McGrattan, President of the CCCB. "On this World Day of Prayer for the Care of Creation, let us come together in solidarity with all people of goodwill to pray, reflect, and act for the protection of our planet." For more details, visit our website.
