**\*Please do not book a venue for your wedding reception until the date for your wedding has been set.**

*Archdiocesan guidelines require that the couple contact the parish at least one year in advance of the proposed date of the wedding. However, scheduling a date is still subject to the Rector's discretion. Availability of dates at the Cathedral can be limited, due to other Archdiocesan events and celebrations, and by the volume of weddings that we have. In addition, adequate time must be allowed to meet the requirements for marriage. Many couples have booked the Cathedral a year or two in advance of their proposed wedding date.*
