Confirmation 2027

Dear Young Catholic,

Greetings from St Michael's Cathedral Basilica. We are very excited to journey with you as you prepare for the Sacrament of Confirmation. The Holy Spirit will strengthen you to live the life God has called us to live which is to love God and our neighbor.

At your baptism, your parents and godparents passed down their faith to you and made promises on your behalf. Now, as you prepare for Confirmation, you are invited to make those promises your own and step forward in faith.

This is an exciting moment where you can take ownership of your faith journey and discover how your unique gifts can serve others and deepen your relationship with God. In the sacrament of Confirmation, you will renew your baptismal promises and, in doing so, seal your identity as a follower of Jesus Christ. At the same time, you will receive the gifts of the Holy Spirit, empowering you to live out this commitment with confidence and joy.

The Confirmation program requires full commitment, including attending Holy Mass every Sunday, participating in catechetical sessions, and a day for a retreat/rehearsal. Please see the Confirmation package for more details.

May God bless you
In Christ

Fr Edwin Gonsalves

Dear Parent(s), Guardian(s), and Family Members,

Greetings from St Michael's Cathedral. It is a joy to journey with you as you prepare your child for the Sacrament of Confirmation. We recognize the dedication, sacrifices and love that each family brings to strengthening the faith of your child. We are here to support you every step of the way.

The role of the family is truly essential in instilling both human and Christian values. Like the Church, the family is called to be a place where the Gospel is lived and shared, radiating the love of Jesus to all. Parents, guardians, and family members are encouraged to accompany their child throughout their faith journey, offering support, guidance, and example.

Your involvement is important—not only by maintaining contact with priests and catechists, but also by being present at all Sunday Masses, especially at the Confirmation ceremony, and by attesting to your child's spiritual progress. Given the many challenges you may experience, please be assured of our prayerful support. Together, let us support these young people as they take this meaningful step in their lives of faith.
